**JUNAGADH AGRICULTURAL UNIVERSITY
JUNAGADH-362001**

VICE CHANCELLOR'S MESSAGE

Vice Chancellor
Junagadh Agricultural University,
Junagadh - 362001 (Gujarat)
Ph. : 0285 - 2671784
Fax : 0285 - 2672004
E-Mail: vc@jau.in

In today's revolutionary rate of technological advancement and intense global competition, management students need to constantly upgrade their credentials and skills. Sustaining and developing in this scenario is a challenge that they must meet so as to move up the career ladder. Recognizing this emergent need, Junagadh Agricultural University has offered an India specific but globally relevant, MBA in Agri-business program through Post Graduate Institute of Agri-business Management at JAU. We generate professionally competent and technically qualified human capital with core management competencies having mission of becoming entrepreneurs and developing the capacity of managing Agribusiness enterprise.

Knowledge and continuous learning is the mainstay for becoming the best organizations in present era. In keeping with this requirement, we have offered programme that equip the managers of tomorrow with learning, competencies and skills.

A unique feature of PGIABM at JAU is our emphasis not just on knowledge development, but also on personal, spiritual and social development. This integral and value based information will impel our students to be innovative, competent and creative leaders. They are groomed in a manner as to serve as catalysts of continuous improvement and change.

I am happy to present our motivated and talented students of the current outgoing batch. Their diverse educational backdrop will give you varied options as you seek bright young men and women to join your organization.

My best wishes to all the students for their better future endeavor.

Vice Chancellor

MESSAGE FROM THE DEAN PG

Director of Research & Dean PG
Junagadh Agricultural University,
Junagadh – 362001 (Gujarat)
Ph. : 0285 – 2670131
Fax : 0285 – 2674064
E-Mail: dr@jau.in

Junagadh Agricultural University aims at providing quality education to youth in the fields of agriculture, agricultural engineering, agri-business management, fisheries and veterinary science. With a foresighted vision and social responsibility, PG Institute of Agri-Business Management was started to meet the ever increasing demand for agri-business managers. The Institution incorporates some of the best features of agri-business management education to equip the students to face the challenges of radically unpredictable agri- business environment. They provide ideal and conducive environment for learning and the leadership skills are honed by imparting a well balanced mix of concepts and practicalities of the agriculture and business world.

The MBA in Agri-Business Programme equips the students with an integrated approach to management function and managerial skills; the programme facilitates learning in modern concepts, techniques and practices in the management of agribusiness in addition to different functional areas of management to enhance their effectiveness.

I welcome you to PGIABM, JAU. I feel privileged to invite you to participate in the placement process this year. I am confident that your organization will benefit immensely from your choice of graduates at our institute and university.

With regards and good wishes.

Place: Junagadh

(C. J. Dangaria)
Director of Research & Dean PG

FROM THE DESK OF PRINCIPAL

Principal
PG Institute of ABM
Junagadh Agricultural University,
Junagadh – 362001 (Gujarat)
Ph. : 0285 – 2670803
E-Mail: pri.pgiabm@jau.in

The time comes again for us to expose the best minds we have, to the outer world that waits to test and absorb the talent radiating from every individual. I assure you that your expectations will not just be met, but will be surpassed substantially. The student mix in the batch is from some of the most diverse walks of life. This diversity has resulted in experiential learning and appreciation of varied cultures and tastes. The curriculum here has been dynamically aligned to the needs and aspirations of the industry to ensure that students not just imbibe academic concepts but develop the analytical and decision-making skills to be the leaders in the ever-changing world of business.

Junagadh Agriculture University is the premise on which the academic programs are taught to be effective. The distinguished faculty at PGIABM, which forms the most impacting clout in academic and consulting circles, has taken the pains to ensure that the student of today is constantly acclimatized to the dynamics of change and takes his rightful place amongst the future change drivers of the industry. I welcome you to experience this change.

PGIABM has maintained an aura of culture and legacy from its establishment. It has proved to be innovative and excellent. Having stamped its class in academic and corporate circles, the alumni of PGIABM today are doing the most challenging and demanding role in industry—India and abroad.

This brochure collates all the relevant information of university and institute for your participation in the Placement Program. We look forward to forging stronger bonds of co-operation to traverse uncharted territories of excellence.

We take pleasure to invite you in our campus.

PGIABM: OPPORTUNITY TO MEET EXCELLENCE

The programme and course that is offered at PGIABM are perpetually evolving to adapt the ever changing global requirements and the diversity of the fields of study. This has helped the institute to become one of the university's nerve centers for professional education, research and development.

The programme offered by the institute is extremely flexible. It offers to the students a huge number of avenues for learning through rigorous classroom training and by making them work on challenging projects that help them gain a better understanding of their disciplines and domains of study.

The faculty besides doing research ensures that the students of the campus are ready to face the challenges of the professional world by providing them a sound conceptual understanding of their respective disciplines and also by playing a huge role in their development as individuals who can lead well. The institute also offers a plethora of opportunities to students for their holistic development through the excellent facilities of sports and general extracurricular activities. All of this has helped PGIABM to produce students who are well prepared to strive for professional excellence. This is made evident by the institute's impressive placement records.

MISSION:

Mission of PGIABM is to develop Agri-Business professionals with managerial excellence through socio-cultural sensitivity, ethical responsibility and concern for environment.

OBJECTIVES:

1. To develop leadership for agri-business sector equipped with enhanced sense of commitment, integrity and ethics.
2. To develop skills of practical application of modern management tools and techniques as applied to agri-business sector.
3. To encourage entrepreneurial spirit in students to make effective change agents.
4. To undertake research projects on client specific problems.

KEY DIFFERENTIATORS:

Commitment: We will work towards our Mission and achieve our Goals.

Creditability: We will abide by the Rules and Regulations to reflect honesty and integrity in our commitment to serve.

Discipline: We will instill responsibility and professionalism by adopting firm, yet compassionate standards.

Innovation: We will consistently progress by keeping abreast with the evolving changes in the Industry.

PEDAGOGY – CREATING LEARNING ENVIRONMENT:

We offer industry oriented curriculum through variety of teaching methods that includes lectures, case discussions, seminars, presentations, team building exercises, business games, role plays, soft skills training and field visits. Experiential learning occurs through summer projects in industry, business contests, guest lectures, competitive events, student-led forums and other leadership initiatives. Regular interface with industry professionals reinforces the practical exposure.

7	Dr. S. P. Sharma	Principal, Valia Arts & Mehta Commerce College, Bhavnagar
8	Mr. Dilip Thumar	Entrepreneure in Bee Keeping Business
9	Dr. R. K. Vaghasia	Former Bank Manager, Junagadh
10	Dr. Kishore Barad	Professor, Shanti Business School, Ahmedabad

FACILITIES AT OUR PREMISES:

In September 2012, the institute moved to its new building. The institute, which has been constructed to include modern pedagogical amenities, showcases green building design. JAU harnesses the best of modern technology to satisfy the intellectual curiosity of its students and faculties. The campus, set in serene and verdant environment, not only provides an excellent ambience for the community's academic endeavors but also presents them with the opportunity to unwind. The Institute is ideally nestled in a picturesque and serene campus of Junagadh Agricultural University. PGIABM offers students access to following facilities.

BUILDING:

The Institute provides ideal environment through newly constructed and properly arranged building for young minds to explore new ideas, and encourages creativity and independent thinking, even as it facilitates faculty to engage in research that combines both rigor and relevance, and for all to develop the twin qualities of a life-long yearning for learning with compassionately and caring attitude towards fellow human beings.

LIBRARY:

The focal point of the university is the well-stocked library having more than 50,000 books of the latest editions, foreign & Indian journals and periodicals in all fields of agriculture, management and other general areas, audio-video cassettes and CD-ROMs. It has ample space with a seating capacity of large number of students. The library has internet facility and a Digital Library is also in use. University library is privileged with the online access of Journals through Consortium for e-Resources in Agriculture (Cera).

COMPUTER LAB:

Institute has its own air conditioned computer lab with latest desktop and Wi-Fi Internet connectivity. The students have ample opportunities to access globe and to abreast themselves regarding current scenario of any field.

CLASSROOM:

The latest and well designed air conditioned classrooms equipped with all the required modern facilities. We believe that the process of teaching can be enhanced with the use of technology tools. It aids the students by giving them a better understanding of concepts and gives an extra edge by providing means to visualize the concept being taught. Hence, the classrooms are equipped with computers, projectors, modern sound systems, OHPs and other audio-visual tools.

CONFERENCE ROOM:

Well furnished computer projected AC room with a seating capacity of 60.

HOSTEL FACILITY:

One of the key contributors to university and effective learning experience is living on campus. There are boys' and girls' hostels inside the University campus. Each hostel has a facilities like Wi-Fi internet and basic recreational facilities, which

provide students with a homely atmosphere that strengthens the feeling of belongingness to the family. Well equipped mess facilities and nutritious food at reasonable prices. Up coming new batch will be accommodated in new hostel building.

PLACEMENT CELL:

Junagadh Agricultural University has always received great response from the industries for the training & placement of its students. In spite of the global slowdown in the last few years, a large number of companies conducted interview for the graduates and post graduates of JAU. The Student Counseling & Placement Cell looks after students' well-being, placement and campus interview. The ultimate objective is to groom the students to become good citizens of country by personality development and skill for better living.

HEALTH CENTRE:

Junagadh Agricultural University has twenty four hours health care facility through an experienced doctor. It assists students to recover immediately and to concentrate on studies. Health centre provides consultation and treatment for common ailments.

SPORTS:

In JAU the faculties always participate in student activities to make overall development possible in the student community. Our Sports complex is well equipped with all necessary infrastructural facilities for indoor and outdoor sports. During the year 2012 three boys in Kabbaddi, one boy in Table Tennis are selected in ICAR national competition.

Indoor :

1. One full-fledged Badminton Court
2. One full-fledged Table Tennis Court
3. One partly equipped exercise space
4. Gymnasium

Outdoor :

1. Two Volleyball Court
2. Two Basketball Court
3. Two Kho-Kho Court
4. Two Kabbadi Ground
5. One cricket Ground
6. Running Tracks of 400 meters
7. All the necessary equipments for various games
