

**TRAINING PROGRAMMES/FARMERS FAIRS/KRISHIMELA/TECHNOLOGY  
DEMONSTRATION MELA ORGANISED BY DEPARTMENT OF SOIL AND WATER  
ENGINEERING**

<b>A Farmers training program</b>					
<b>S N</b>	<b>Date</b>	<b>Number of trainee/ participant s/ farmers</b>	<b>Venue</b>	<b>Topic</b>	<b>Target group/ Outcome</b>
1	30th Septemb er, 2008	200	Mangrol	Khedut Talim Shibir (Farmers Training) (Groundwater Recharge and its Efficient Utilization in Coastal Areas)	Farmers
2	15-Sep- 12	60	Research farm, JAU, Junagadh	FIED DAY on “ADHUNIK PIYAT PADDHATI ANE TENU NIDARSAN”	Tribal farmers of Talala taluka
3	March 4-5, 2013	63	Junagadh	2- Days Farmers training program on “BHUGARBH JAL SANCHAY ANE TENO KARYAKSAM UPAYOG”	Farmers of Rajkot/Junagadh districts under AICRP on GWU during Farmers.
4	16-Aug- 13	70	Junagadh	“Fuvara Piyat Talim ane Fuvara set Vitaran Karyakram”, Inaugurator and Chief Guest - Mr. Baububai Bokhiriya, Min. Agril & Cooperation, Govt of Gujarat, President- Dr. N C Patel, Hon. VC, JAU, Junagadh, ,	Tribal farmers of the Gir Somnath districts under TSP fund of AICRP on GWU, SWE, CAET, JAU, and Junagadh.
5	27-Jan- 14	160	TCSRDR, Mithapur	Organized 1 days Training on “Groundwater Recharge and its efficient Utilizations in Coastal Area” jointly by Tata Chemical Society for Rural Development, Mithapur	Farmers of the coastal area.
6	25-Jul- 14	75	Vadala, Talala taluka	Organised 1 day training program on role of women for water management in agriculture	Tribal women farmers.
7	25-Sep- 14	150	Jambur Talala taluka	Organized 1 days Training on “Groundwater Recharge and its efficient Utilizations”	Tribal farmers.
8	21-Jan- 16	39	Junagadh	Farmers training program on PMKSY components	Farmers of Junagadh district.

				jointly with ATMA project	
9.	27-Jan-16	89	Tadka Pipaliya	Farmers training program on Irrigation Water Management Technologies and live demonstration jointly with ATMA project	Farmers of 6 villages surrounding Tadka Pipaliya under MGMT
10	15-Sep-16	125	Shil, Ta-Mangrol	Khedut Shibir on Agric. technologies and its live demonstrations. jointly with ATMA project	Farmers of Mangrol taluka under MGMT
11	30-Jan-17	45	Junagadh	Farmers training program on PMKSY components. jointly with ATMA project	Farmers of Keshod taluka
12	31-Jan-17	42	Junagadh	Farmers training program on PMKSY components. jointly with ATMA project	Farmers of Manavadar taluka
13	01-Feb-17	35	Junagadh	Farmers training program on PMKSY components. jointly with ATMA project	Farmers of Vishavadr taluka
14	02-Feb-17	37	Junagadh	Farmers training program on PMKSY components. jointly with ATMA project	Farmers of Maliya taluka
15	12-Feb-17	35	Dhari Taluka	Organized demonstration of irrigation water management technologies and ground water recharge for the farmers of Dhari taluka	Farmers of Dhari taluka
16	20-Jan-20	42 farmers	CAET Junagadh	One day Demonstration-cum-Training program on "Watershed Development, Water Conservation and Irrigation Water Management(એક દિવસીય	Farmers of Besan Taluka
17	21-Jan-20	29 farmers	CAET Junagadh	One day Demonstration-cum-Training program on "Watershed Development, Water Conservation and Irrigation Water Management	Farmers of Visavadar Taluka
18	22-Jan-20	28 farmers	CAET Junagadh	One day Demonstration-cum-Training program on "Watershed Development, Water Conservation and Irrigation Water Management	Farmers of Mendarda Taluka
19	23-Jan-20	25 farmers	CAET Junagadh	One day Demonstration-cum-Training program on "Watershed Development,	Farmers of Vantli Taluka

				Water Conservation and Irrigation Water Management	
20	24-Jan-20	26 farmers	CAET Junagadh	One day Demonstration-cum-Training program on “Watershed Development, Water Conservation and Irrigation Water Management	Farmers of Junagadh Taluka
21	31-Jan-20	112 SC famers	organised jointly by AICRP-PHER/PERT/IWM, Junagadh center	Agricultural Product Processing, Value Additions and Use of Plastic in Agriculture(Krushu Pedashonu Processing and Mulycardhan Tatha Krushima Plastic no Upyog)”	SC farmers of Tukda village, Porbandar District
22	09-Mar-21	50 SC farmers	Jointly Organised by JAU and ACF	“Demonstration-cum-Training and distribution of plastic mulch”	Farmers of Kodinar
<b>B</b>	<b><u>Agri Fair/Krishi Mela/ Demonstrations in Krishi melas</u></b>				
S N	Date	Number of participants/	Venue	Topic	Target group/ Outcome
1	May 6-7, 2012	35000	Manavadar	Krushu Mahostava Mega Events (summer season)	Farmers of Saurashtra region have been motivated through the irrigation water management technologies and watershed based soil water conservation technologies along with recharge techniques in Krushu mela-2012 at Manavadar.
2	May 25-26, 2013	40000	Jam Jodhpur	Krushu Mahostava Mega Events (summer season)	Farmers of Saurashtra region have been motivated through the live demonstration of drip, sprinkler and watershed based soil water conservation technologies along with recharge techniques in Krushu mela-2013 at Jam Jodhpur. The various technologies of Irrigation Water Management have also been demonstrated.
3	May 27-28, 2014	25000	Morbi	Krushu Mahostava Mega Events (summer season)	Farmers of Saurashtra region have been motivated through the live demonstration of drip, sprinkler technologies, water management, pumping machinery and other agricultural technologies. The various technologies of Irrigation Water

					Management have also been demonstrated.
4	19-Dec-14	1500	Jam Kandorna	Krushi Mahostava Mega Events (Winter season)	The farmers of Jam Kandorna taluka have been guided and motivated for water harvesting and irrigation management technologies adoptions.
5	Feb., 13-14, 2015	75	Junagadh	Krishimela	Krishimela for the farmers of Junagadh, Porbandar, Rajkot and Gir Somnath district was organized as part of National seminar on water management and climate smart agriculture organized by CoESWM, JAU, Junagadh.
6	May 5-6, 2015	20000	Sihor	Krushi Mahostava Mega Events (summer season)	The farmers of Saurashtra region have been guided and motivated for water harvesting and irrigation management technologies adoptions.
7	23-Mar-15	1211 (978+ 100 scientists+ +113 students)	Junagadh	Technology and Machinery demonstration Krishi Mela-2015	Farmers farmers of Saurashtra region have been motivated through the live demonstration of drip, sprinkler and watershed based soil water conservation technologies along with recharge techniques. The various technologies of Irrigation Water Management have also been demonstrated.
8	February 17-22, 2016	600150	Gadhethad	Krishi-Mela and Live demonstration of irrigation water management technologies.	Farmers farmers of Saurashtra region have been motivated through the demonstration of various technologies of Irrigation Water Management.
9	17-Mar-16	1490 (798 farmers+ 192 scientists+ 500 students)	Junagadh	Technology and Machinery demonstration Krishi Mela-2016	Farmers farmers of Saurashtra region have been motivated through the live demonstration of drip, sprinkler and watershed based soil water conservation technologies along with recharge techniques. The various technologies of Irrigation Water Management have also been demonstrated.
10	May 14-15, 2016	15000	Junagadh	Krishi-Mela and Live demonstration of	Irrigation water management technologies were demonstrated.

				irrigation water management technologies	
11	06-Mar-17	2025 (1000 farmers+360 industrialists+165 scientists+500 students)	Junagadh	Technology and Machinery demonstration Krishi Mela-2017	Farmers farmers of Saurashtra region have been motivated through the live demonstration of drip, sprinkler and watershed based soil water conservation technologies along with recharge techniques. The various technologies of Irrigation Water Management have also been demonstrated.
12	May 7-5, 2017	12000 farmers	Junagadh	Krishi-seminar-cum-exhibition	Farmers farmers of Saurashtra region have been motivated through the live demonstration of drip, sprinkler and watershed based soil water conservation technologies along with recharge techniques. The various technologies of Irrigation Water Management have also been demonstrated.
13	07-May-18	50000 farmers	Junagadh	Krushi mahotsav-2018 mega event at Junagadh	AICRP on IWM Junagadh center associated in organization of KRISHIMELA-2018 mega events organized by JAU, Junagadh at different five places during May 2018. The large number of farmers got benefits of scientist's guidance and demonstration of Agricultural Technologies.
14	11-May-18	20000 farmers	Amreli	Krushi mahotsav mega Event at Amreli	AICRP on IWM Junagadh center associated in organization of KRISHIMELA-2018 mega events organized by JAU, Junagadh at different five places during May 2018. The large number of farmers got benefits of scientist's guidance and demonstration of Agricultural Technologies.
15	22,23-january-2018	1000	Junagadh	Technology and Machinery demonstratio	Farmers of Saurashtra region have been motivated through the live demonstration of drip, sprinkler and watershed based soil water

				n Krishi Mela-2018	conservation technologies along with recharge techniques. The various technologies of Irrigation Water Management have also been demonstrated.
16	21-Feb-19	930 ( 780 Farmers + 80 Students + 40 faculties + 30 Industrialists)	Junagadh	Technology and Machinery demonstration Krishi Mela-2018	Farmers of Saurashtra region have been motivated through the live demonstration of drip, sprinkler and watershed based soil water conservation technologies along with recharge techniques. The various technologies of Irrigation Water Management have also been demonstrated.
17	19-Feb-20	3934 (3434 Farmers + 100 Students + 200 faculties + 200 Industrialists).	AICRP on Irrigation Water Management(ICAR) organized Agricultural Technology and Machinery Demonstration Mela-2020 jointly with all AICRPs under CAET, JAU, Junagadh and ATMA Project,	Agricultural Technology and Machinery Demonstration Mela-2020	Farmers of Saurashtra region have been motivated through the live demonstration of drip, sprinkler and watershed based soil water conservation technologies along with recharge techniques. The various technologies of Irrigation Water Management have also been demonstrated.

**C. Trainings/Workshops/Conferences / Events organized**

S N	Date	Number of participants/	Venue	Topic	Target group/ Outcome
1	January 20-24, 2014	30	JAU, Junagadh	Organized 5 days Training on "Aquifer information	For the field level workers, students and academicians.

				system and aquifer management plan”	
2	27,28-Feb-2018	10	JAU, Junagadh	Organized the QRT-2012-17 review meeting for AICRP on Irrigation Water Management	AICRP Scientists /QRT team
3	22.03.2018	80	JAU, Junagadh	World Water Day-2018	UG Students of CAET,JAU,Junagadh
4	25-Sep-18	220(70 scientist + 15 students + 135 progressive farmers)	JAU, Junagadh	State Level Workshop On Sharing Experience On Participatory Groundwater Management In Coastal Region Of Saurashtra Of Gujarat State Jointly Organised by JAU and ACT, Bhuj	Shared Experience On Participatory Groundwater Management In Coastal Region Of Saurashtra Of Gujarat State
5	17-Oct-19	98(83 UG+15PG)	JAU, Junagadh	“Basics of remote sensing and Hands on Q-GIS”	Students /faculties
6	February 09-13, 2021	807 faculties/students(266 from JAU and 541 from other institutes of India)	JAU, Junagadh	“Automation in Micro Irrigation System”	For the UG, PG students and faculties
7	05-Dec-20	50 students	JAU, Junagadh	Organised “World Soil Day-2020” on the theme of “Keep Soil Alive, Protect Soil Biodiversity”	For creating awareness on importance of soil for the human being and all other livings among students, faculties, and technical/administrative / supportive staff
8	22-Mar-21	Total	JAU, Junagadh	Organised “World	Students, faculties, and

		70 students/faculties		Water Day-2021” on the theme of “Valuing Water”	technical/administrative / supportive staff have motivated and guided the students, faculties and supporting staff on the water conservation, its judicious utilizations and valuing of water during the inauguration program.
