

## Images of Lab activities

### NABL Accreditation of Food Testing Laboratory for food quality parameters

### Food quality parameters analysis at GFQA cell of FTL

### Molecular markers and biotechnology related analysis at Biotech cell of FTL

### Elemental analysis at FTL

**Food related microbiological analysis at FTL**

**2-D and proteomic analysis at FTL**

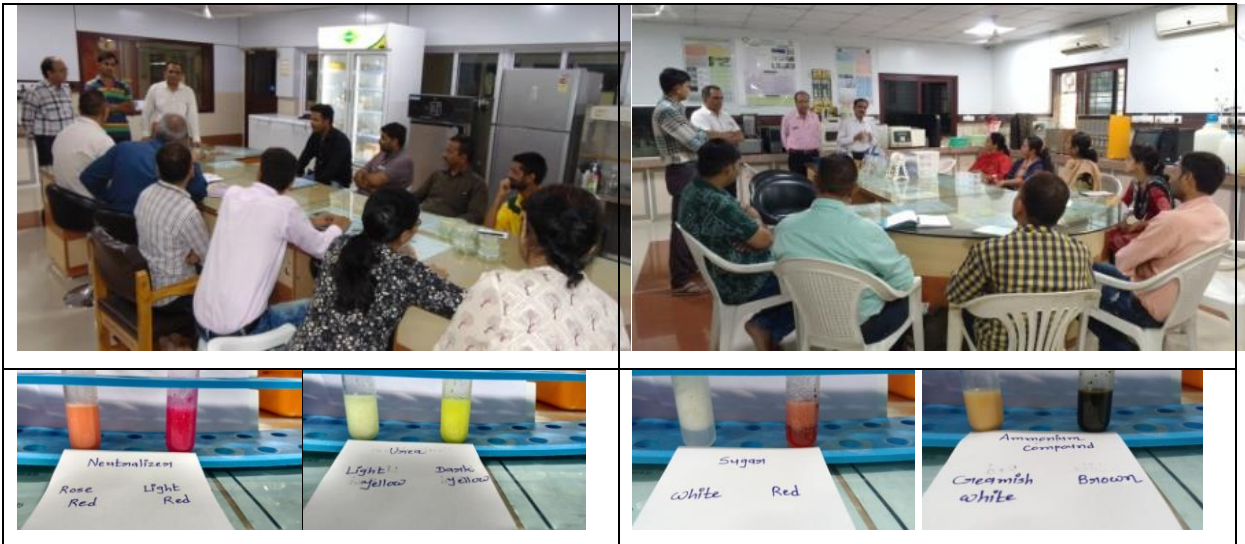

**Quality parameters analysis of plant produces at FTL**

**NPK Nanofertilizer field experiment by JAU- Biotech**

**Training on adulterations and food quality by JAU- Biotech**

**P.G. Research work and Student's training at JAU - Biotech**

## Visitors of Food Testing Laboratory
